My wife Leslie and I are raising our family in Rockwall. We love this community and want to do our part to help the City strengthen services, programs, and overall quality of life.

WHAT IS MY FOCUS?

- Avoid tax increases
- Strengthen essential City services
- Invest appropriately in City infrastructure

- Protect property values
- Maximize use of every City tax dollar

Milder has fought to strengthen emergency services with continued investment in Rockwall Fire and Police personnel and equipment, with NO tax increase.

“We have many great people working to keep our city safe. It’s important these great folks have the backup, manpower, resources, and systems in place they need to do their jobs safely.”

Other points of pride during Milder’s tenure on the Rockwall City Council include:

- ✓ **Discovering** e-cig vapor shops were selling to minors and leading Council to prohibit those sales
- ✓ **Leading** Council to increase minimum square footage requirements for housing developers from 1800 SF to 2400 square feet to discourage low quality starter home builders
